Located on a peaceful, dead-end street just minutes from Falls Lake, this new construction home offers a thoughtful and functional floor plan on a 1.9-acre lot. Expected to be completed by the end of 2025, this property provides a serene retreat while still offering convenient access to Wake Forest, Durham and Raleigh. The main level is designed for both comfort and entertaining. A two-story foyer welcomes you into the home. To the left, a private study and full bathroom provide a quiet space. The main floor also features a guest bedroom with an en suite full bath. At the heart of the home is an open-concept living area, where the family room flows seamlessly into a large, island kitchen with a walk-in pantry. An adjacent formal dining room is perfect for gatherings. Extend your living space outdoors on the covered porch, a lovely spot to relax. The primary bedroom suite is a true retreat, conveniently located on the main floor. It features a spacious bedroom with a tray ceiling, an en suite bathroom with a soaking tub and separate shower, and a large walk-in closet. The main level also includes a laundry room, a powder room, and access to a single-car garage and a separate two-car garage. Upstairs, a spacious loft area offers a flexible gathering space. The second floor includes two additional bedrooms, each with a walk-in closet. Bedroom 2 has an en suite bathroom with a shower, while Bedroom 3 shares a full bathroom. This level also
